Do you know any of these former members?

THE FOLLOWING list contains the names of former members who have unclaimed or uncashed capital credits checks on file with United Electric Cooperative. We are asking for your help in locating these people. In many cases, these members may have moved off our lines and have not informed us of their new address. Please look over the list to see if you know any of these former members. If you find a familiar name, please ask either the individual member or the estate executor to contact us personally either by mail at the address below, or by phone at 1-888-581-8969. In order for a check to be reissued, we will need to verify when and where the individual received electric service from United Electric Cooperative (street or road name, previous address, etc.).

When writing us, please be sure to also include the member's current address and a telephone number where the member may be reached. We will follow up on every correspondence; however, our list includes over 2,600 names so it may take us some time. Please be patient during this process. We ask that you please mail any information to the address below. For fastest routing, please address the envelope to:

2018 Rural Electric Youth Tour

ATTENTION - HIGH SCHOOL JUNIORS

It's time to start planning for the 2018 Youth Tour. This is an all-expenses-paid excursion that draws over 1,800 rural high school juniors from across the country to Washington, D.C., for sight-seeing, education and fun in our nation's capital. The 2018 Youth Tour will be held the week of June 10-15. Any junior who may be interested is asked to contact Kristy Smith at United Electric Cooperative at 1-888-581-8969, extension 8507, for an application. All applications must be received at United Electric by March 16, 2018.
