We owe these former members; can you help find them?

THE FOLLOWING list contains the names of former members who have unclaimed or uncashed capital credits checks on file with United Electric Cooperative. We are asking for your help in locating these people. In many cases these members may have moved off our lines and have not informed us of their new address. Please look over the list to see if you know any of these former members. If you find a familiar name, please ask either the individual member or the estate executor to contact us personally either by mail at the address below, or by phone at 1-888-581-8969. In order for a check to be reissued, we will need to verify when and where the individual received electric service from United Electric Cooperative (street or road name, previous address, etc.).

When writing us, please be sure to also include the member's current address and a telephone number where the member may be reached. We will follow up on every correspondence; however, our list includes over 1,300 names so it may take us some time. Please be patient during this process. We ask that you please mail any information to the address below. For fastest routing, please address the envelope to:
