Can You Help Us Get in Touch with Former Members?

The following list contains the names of former members who have unclaimed or uncashed capital credits checks on file with United Electric Cooperative. We are asking for your help in locating these people. In many cases, these members have moved off our lines and have not informed us of their new address. Please look over the list. If you find a familiar name, please ask the individual or their estate executor to contact us at the address below or call **888-581-8969**. For a check to be reissued, we will need to verify when and where the individual received electric service from the cooperative (street or road name, previous address, etc.).

When writing to us, please be sure to include the member's current address and telephone number. We will follow up on every correspondence; however, our list includes more than 2,200 names, so it may take some time. Please be patient during this process. Please address all correspondence to:
